## TOMS RIVER ONLINE DELAYED

3

Due to the club championship going on and both myself and the club not being able to dedicate the proper time to TRCC Online, I am deciding to postpone our launch of TRCC online until summer 2022.

I think in order to make TRCC Online a successful component of the Toms River Chess Club it needs a lot of time, effort, and care put into it and that's not something I am able to do while the championship is still ongoing.

My apologies for the delay and the inconvenience!

## QUOTE OF THE WEEK
